Whack-a-Light

Are You Faster Than Light ?

Discover **Whack-a-Light**, our modern, dynamic version of the classic "Whack-a-Mole™". Designed to test your reflexes in an exciting way, the game engages two players in a duel where each player aims to be faster than their opponent to accumulate maximum points. With three difficulty levels that increase with each round, each game becomes a new opportunity to prove you're the best.

Whack-a-Light isn't just a game; it's an invitation to challenge your limits. Easy to understand for all ages but difficult to master, **Whack-a-Light** promises endless excitement from players, drawn in by its challenging gameplay. Our product is designed to last and perform reliably for years, making every session as exciting as the first.

Unique features

- ❖ **Complete customization:** Adjust difficulty levels, game duration and many more via an integrated settings menu. Ability to use custom music, sound effects and artwork design.
- ❖ **Immersive atmosphere:** Immerse yourself in a captivating atmosphere with dynamic sound effects and rhythmic music that will plunge you into the heart of the action.
- ❖ **Varied Game Modes:** Choose between various provided games and free or paid operating modes.

Guaranteed fun and involvement

Every game of Whack-a-Light is a race against time, a battle of agility where only the fastest triumph. It's a perfect choice for arcades, play centers amusement parks and events, offering a captivating experience that stimulates friendly competition and social interaction.

Installation is quick and easy, and its small footprint makes it an ideal addition to any entertainment space.
